Int 215-07
Sanctioning the acquisition of certain houses,
vacant sites &c at an estimated cost of
Rs 3345/- for opening out roads in the Damma
Municipality. In this connection the file
was forwarded unofficially to the Sanitary
Committee for favor of opinion. He said that
the urgency for the work referred to was not
clear from a sanitary point of view. The
president was requested to place the
matter before the District Sanitary Board
for further action. The president reported that
half the work had already been executed and
that as the other half was urgently needed he
requested sanction to the proposal of the Municipal
Board as the District Sanitary ^{Board} was yet to be formed.
The acquisition of the properties referred to was
accordingly sanctioned & the order was communicated
to the Sanitary Board.

small improvements are to

big projects requiring professional

the Sanitary Commissioner for opinion
and for orders as to whether
the Sanitary Council may be informed
